REQUEST TO TRANSFER SEASON TICKETS

Each person signing a Request to Transfer must present current, non-expired, government issued identification that includes their photo and their signature. The Request to Transfer must be submitted by both parties in person to the Saints Box Office located in Metairie. If circumstances do not allow that, the parties may ask to submit a Request to Transfer by other means. Whether a Request to Transfer is accepted, after being reviewed, is within the sole discretion of the Saints, and the parties will be notified. The new account will be assigned a new account number with the acquisition date matching the date that the Request was received, unless an alternate date is approved by the Saints, for example, those transfers occurring within immediate family. If either party represents a business account, the Request must also be accompanied by written authorization on company letterhead signed by a person other than the person to whom the tickets would be transferred and having the authority to so bind the business. In the event of the death of a season ticket holder, a Request to Transfer may be submitted by the Executor or Administrator of the deceased's estate and include official evidence of their capacity as Executor or Administrator as well as a certified copy of the death certificate and a signed Judgment of Possession. Requests for Transfer will only be accepted through May 31 for an upcoming season, at which point any transfer requests would have to be re-submitted the following off-season. Please allow up to 3 weeks for a transfer request to be approved and processed. If a Request is approved, all rights and privileges associated with being a Saints season ticket holder are transferred. Purported transfer of such rights and privileges by any other means is not valid and will not be honored by the Saints.
